

## WHAT IS IMHCA?

The Idaho Mental Health Counselors Association is dedicated exclusively to the needs of professional mental health counselors. Membership in IMHCA is multidisciplinary and open to professional counselors, counselor educators and counseling students who have an interest in the advancement of the mental health counseling profession. The Idaho Mental Health Counselors Association is a division of the Idaho Counseling Association (ICA) and a State Branch of the American Mental Health Counselors Association (AMHCA).

## The IMHCA - ICA Partnership

The Idaho Counseling Association (ICA) is the state association for professional counselors. Within ICA, there are Divisions which represent a variety of work settings and special counseling interests. IMHCA is the Division for professionals working in the field of mental health. Other ICA Divisions are designed for school counselors, career development counselors, counselor educators and supervisors. Members of ICA may join more than one division.

## IMHCA Member Benefits

- IMHCA offers a free, searchable website listing to promote your private practice and enhance client access to your services
